

## PRESS RELEASE

FOR RELEASE: 21 October 2024

### TigerTMS Donates Laptops to Support St John Houghton Catholic Academy and LitFest

Ringwood, UK, October 21<sup>st</sup>, 2024 – In a generous move to support education and local culture, leading hospitality technology specialists TigerTMS has donated 10 laptops to St John Houghton Catholic Academy in Ilkeston Derbyshire, and additional equipment to Worcestershire LitFest & Fringe.

St John Houghton Catholic Academy, known for its commitment to providing quality education, will use the laptops to enhance students' access to digital learning resources and improve IT facilities across the school. The donation will help students in their academic work and build crucial digital skills, especially in a time when technology is key to modern education. Steve Brogan, Headteacher, said: *"We are extremely grateful to TigerTMS for this incredibly generous donation which will help us in our mission to provide our students with the very best education. Thank you to everyone at TigerTMS."*

Worcestershire Litfest & Fringe runs workshops and events throughout the year, including their flagship week-long literary festival in the summer attracting community participation in poetry and spoken word. Rachel Porter, a spokesperson for the organisation says, *"2024 has been an exciting year for Worcestershire Litfest and Fringe, and much of what we've achieved would have been impossible without the generous donation of a laptop from TigerTMS. We could never have built and maintained our new website, publicised and hosted a packed programme of live and online spoken word events for our community, or kicked off so many exciting new projects and publications with local writers and organisations. We are enormously grateful to TigerTMS for their support."*

In a statement, TigerTMS's MD Adrian Seymour comments, *"We are thrilled to be able to give back to both the secondary school and the creative literary community through these donations. Technology plays an increasingly important role in education and the arts, and we hope our donation will make a positive impact."*

Both establishments expression of gratitude for the support highlights how the laptops will help them advance their respective missions. This donation marks another step in TigerTMS's ongoing commitment to social responsibility and community development.
