

## PRESS RELEASE

FOR RELEASE: 19 September 2024

### TigerTMS Announces Certification with Yeastar

Ringwood, UK, September 18<sup>th</sup>, 2024 – TigerTMS, the leading developer of applications and middleware solutions for the global Hospitality market is pleased to announce iCharge Enterprise, comprising iLink, the leading middleware solution, is certified with Yeastar P-Series Appliance and Software Edition.

Yeastar ([www.yeastar.com](http://www.yeastar.com)), the world's leading provider of Unified Communications (UC) and five-star hotel solutions, today announced that TigerTMS has successfully facilitated Hotel PMS Integration with Yeastar's award-winning P-Series PBX.

With this integration, hoteliers can now integrate Yeastar to many PMS systems and use TigerTMS Solutions including the leading iCharge Enterprise solution. Yeastar partners can now offer a wide range of hospitality functionalities to their customers. It will allow users to automatically Check In/Out, Line unbar/bar, Minibar postings, DND updates and automated alarm call functionality. TigerTMS's best-selling iCharge Enterprise software is the next generation technology, which transforms the way hotels connect front and back-office applications to provide a seamless service to guests, meeting the exact needs of different types of hotels. A modern Dashboard provides an instant view of hotel operations including; room status, occupancy levels, system alerts, and more.

"We are pleased to have TigerTMS join our powerful property management system integrations." Said Arya Zhou, Head of Global Sales at Yeastar, "With extensive experience in the hotel industry, TigerTMS, our robust partner, will undoubtedly join forces with us to bring a better experience to our global hoteliers".

Adrian Seymour, Managing Director at TigerTMS adds "We are excited by the recent Yeastar and iCharge Enterprise with iLink integration, and are looking forward to seeing the advantages the hospitality sector will experience as a result of this partnership".

As a result of the two organisations working together, TigerTMS is listed on the Yeastar Marketplace <https://www.yeastar.com/app-marketplace/tigertms-for-hotel-pms-integration/>.
